

Employees may be reimbursed for business-related expenses incurred while performing their job duties. All expense reports must be submitted within 30 days of the expense and must include:

- Original receipts
- Business purpose description
- Date and location of expense
- Amount and currency

- Airfare: Economy class unless business class is approved in advance
- Accommodation: Up to \$150 per night for domestic travel, \$200 for international
- Meals: Up to \$50 per day for domestic travel, \$75 for international
- Ground transportation: Actual cost up to \$30 per day

Client entertainment expenses must be pre-approved and are limited to \$100 per person per event.

All departmental budgets must be approved by the Finance Department. Budget requests should include:

- Detailed breakdown of expenses
- Justification for each expense
- Timeline for expenditure
- Expected return on investment

All purchases over \$500 require at least three competitive quotes. Purchases over \$5,000 require formal approval from the Finance Department.

Invoices should be submitted to the Finance Department with the following information:

- Vendor name and contact information
- Invoice number and date
- Detailed description of goods or services
- Total amount and payment terms
- Purchase order number (if applicable)

Monthly financial reports are due on the 15th of each month for the previous month. Department managers are responsible for reviewing and approving their department's financial reports.

For finance-related questions, please contact the Finance Department at finance@company.com or extension 5678.
